

## A Community Resource Networking Event

Connect with representatives from a variety of helpful Topeka organizations at one location.

**GraceMed** Capitol Family Clinic  
1400 S.W. Huntoon  
Tuesday, June 4, 2019  
1:00 pm to 3:00 pm

No appointment necessary.  
Come as you are. Connect with the future you want to achieve.

# Connect with resources that can empower your life.

Come to HopePort to find real life answers. Representatives from some of Topeka's most helpful resources will listen to your issues about everything from healthcare to food and shelter and offer real solutions to help you live the better life you want to live.

**Harvesters Community Food Network** will help you access all the nutritious foods you need to live a healthier life.

**SCMS Health Access** can refer you to donated care designed to maintain your health and connect you with a medical home.

**The Community Action Partnership** has a deep well of resources to help with your child's education, your family's housing and job opportunities. They'll also have staff on hand to help you get a Reduced Fare ID for Topeka Metro passes.

**The Topeka & Shawnee County Public Library** is a rich resource of programs and knowledge to help both you and your children expand your horizons.

And **GraceMed Health Clinic** will help you access affordable medical, dental, vision and behavioral health care.

*From access to health care to housing assistance to healthy foods to the enrichment of knowledge, HopePort brings it all together to help you build a better life.*
