### Free Summer Breakfast & Lunch

Topeka Public Schools is working to feed the youth in our community by providing healthy meals this summer. They have partnered with SENT here at the CRC CARE Center to provide meals for children and teens ages 1-18. There is no registration or identification required in order to pick up a meal. Starting June 1st - July 24th from 11am to noon, families can pick up breakfast and lunch outside CRC at 455 SE Golf Park Blvd. on Monday, Wednesday, & Friday. Each meal will include breakfast and lunch for 2 days with Friday having enough for 3 days. To view more information visit CRC's [Facebook page](#) or [web site](#) or SENT's [Facebook page](#). Other meal sites located at other Topeka Public Schools can be found at 501's [website](#).

### What CRC Has Been Up To During Covid-19

We at CRC are here for you. It is not only the well-being of our team, but the communities that we serve who are our top priority. The CRC CARE Center @ Avondale East has remained open we are here to serve. We immediately established new precautions following the SC Health Department's guidelines to protect staff, tenants, and the community we all serve. The building was sanitized and is continuously cleaned throughout the day. All our programs are operating with some modifications like, the monthly Mobile Food Pantry distribution has been changed to a drive through trunk drop. As life continues to change around us CRC will be here to answer questions and keep community in the know of the latest information.
